

HEARTLAND
COMMUNITY COLLEGE

ADJUNCT FACULTY: NURSING ASSISTANT PROGRAM

Part-time instructors to teach for the IDPH-approved Nursing Assistant Program within the College's Health and Human Services division. Positions are available for the fall 2018 and future semesters at the Normal and Lincoln campuses. Current Illinois Registered Nurse licensure with a minimum of two years of nursing experience required.

DEAN OF STUDENT SUPPORT SERVICES

Full-time administrative position anticipated to begin July 2018. The Dean is responsible for the administration, organization, and development of student support services and programs. Areas of leadership include budget management, strategic planning, program review and improvement efforts, and employee staffing, scheduling, and evaluation. Master's degree in appropriate discipline required.

FLIGHT DIRECTOR

Full-time position to facilitate simulated space missions, workshops, programs, and outreach of the Challenger Learning Center (CLC). Will assist with curriculum development and planning, mission preparation, simulator maintenance, and other daily operations of the CLC. Bachelor's degree and valid Illinois professional educator license required.
