

NURSING JOB POSTING

DIRECTOR OF PERSONAL HEALTH SERVICES

The Sangamon County Department of Public Health is seeking applicants for its Director of Personal Health Services. This Senior Staff position reports to the Director of Public Health, and will require the successful applicant to have experience in the formulation and development of program policy objectives; supervision, training and evaluation of work activities to insure the successful implementation of numerous large grant programs, including Women, Infants and Children(WIC), Family Case Management, Early Intervention, Emergency Preparedness, and Healthy Family Illinois. Duties will also include oversight of busy Well Child and Immunization Clinic that provides services to children and families including immunization and physicals, Adult Clinics, and oversight of the Communicable Disease Section.

Requirements include a current State of Illinois Registered Nursing license, Bachelor's Degree in Nursing and 3-5 years supervisory experience in a medical/public health setting. Masters Degree in Nursing, Public Health Administration or related field required; strong leadership skills and ability to manage multiple projects and activities.

Salary & Benefits: Starting Salary Range **\$66,237 to \$79,486**; 2 weeks paid vacation, 3 paid personal days, 12 paid sick leave days and 12 paid holidays per year. Individual and Family health, dental and life insurance options, retirement, and mileage reimbursement are available.
