

Kemmerer Village
Helping Today's Child

SECOND SHIFT SUPERVISOR

Kemmerer Village, a co-ed residential treatment facility for adolescents, has a full-time opportunity in its Cottage Life sector for a Second Shift Supervisor (1:00pm - 11pm). 4 on-4 off rotating schedule. Must be 25 years of age, with two years of college credit. Bachelor degree in a Human Services field preferred.

Two years of full time experience in a residential child care program is required. Must possess ability to work with and manage BD/LD residents served in the program and to work cooperatively with administration, staff and persons external to the program.

Must be able to prioritize multiple tasks and see to their successful conclusion. Strong leadership skills are needed. Valid IL driver's license required. Drug screening and criminal background check conducted.

Salary commensurate with experience and background. Full benefit package including medical, dental and vision plans.

Candidates with good communication and interpersonal skills should send cover letter and resume to:
