

EARLY CHILDHOOD TEACHER

Join Our Team

Memorial Medical Center is hiring full-time Early Childhood Teachers with the ability to provide a safe and nurturing environment for children to encourage their social, emotional, physical and intellectual development. Early Childhood Teachers are responsible for designing an appropriate, balanced curriculum according to guidelines established by the Illinois Department of Children and Family services, Creative Curriculum, and ExceleRate Illinois. Other responsibilities include assisting in the planning of center/classroom events and meetings. An associates degree in Early Childhood or Child Development and a minimum of three (3) years working experience is required.
