

Lincoln Land Community College

Network Administrator

Lincoln Land Community College is currently accepting applications for an experienced Network Administrator. This full-time position will report to the Director-Systems and IT Infrastructure and be responsible for designing, installing, configuring and maintaining the LLCC network, including local area network and wide area network equipment. Applicants must possess an associate's degree or have commensurate experience; at least two years of related work experience; and at least one year of industry experience. Employment is contingent upon the successful completion of a criminal background check and drug screen. LLCC provides a competitive salary that is commensurate with education and experience and an excellent benefit package. The full position description, qualifications and application can be accessed at www.llcc.edu/hr. This position will be open until filled; however, applicants must have their materials submitted by Sunday, October 1, 2017 to be considered during the initial review window.
